Sir,

Re Construction of a Refreshment Room in the Maharaja Park at Hassan

I have the honor to state that the Municipal Council of Hassan have proposed to construct a Refreshment Room in the Maharaja Park at Hassan and for this purpose they have sanctioned an estimate for Rs. 5,650/- It is stated that a Restaurant is necessary for the use of the public who resort to the Maharaja Park both in the morning and evening. The Municipality expects an annual income of Rs. 1,000/- by leasing this Restaurant. The cost of the building is proposed to be met out of the closing balance of the Municipality during the current year. The closing balance is said to be Rs. 27,308/- But this closing balance will reduce to Rs. If at the end of June 46 after payment of certain items which might be due as per sanctioned budget. According to the sanctioned budget for 45-46 the annual income is Rs. 1,15,438/-, the closing balance being only Rs. 15,451/- which is far below the prescribed minimum.

There is no necessity for a restaurant in the Park and in the present situation it is undesirable. Personally I am not in favour of this Restaurant, there being several hotels near about the Park. I must say the utility and the decent atmosphere of the Park will deteriorate.

The estimate and plan together with the resolution of the Municipal Council are enclosed for favour of perusal.
